\* Late practice logs will be penalized 1 hour for every school day they are late. **Incomplete logs will NOT be accepted.**

Progress and improvement is made through consistent everyday practice. Try to practice everyday, even if you cannot practice for the full 30 minutes. **(210 MINUTES / 7 DAYS), (420 MIN / 2 WKS)**

Improved music quality comes from mastering the challenges and perfecting what you already do well. Practice the materials you do not know well, may give you trouble, or that you may not sound good. Then practice the materials that you do know will, but try to make it better by doing more with it. (Crescendo, decrescendo, forte, staccato, accent, legato, etc.)
